Downtown, Financial District

Miku Toronto, Aburi Restaurant's first east coast location, is situated at Bay and Queen's Quay. With over 7000 square feet, a raw bar, sushi bar, large patio and private dining rooms, Miku brings contemporary upscale design to the southern Financial District. Corporate Executive Chef Kazuya Matsuoka along with Chef de Cuisine Michael Acero and Head Sushi Chef Kazuki Uchigoshi bring Aburi Cuisine to Toronto combining traditional Japanese flavours and techniques with local, East Coast elements to create a truly unique dining experience. The menu focuses on Aburi Sushi as well as fresh seafood, respecting the natural flavours of the ingredients while adding a signature Aburi twist. Japanese and European inspired desserts made in house create the perfect ending to the culinary experience. The menu is complemented with signature cocktails, wines, and an extensive sake list. Knowledgeable staff is always happy to make suggestions on pairings that will please your palate.
